Vol -VII, I & II (2022)

Message from Chairman's Desk

As we conclude another remarkable year, it gives me great pleasure to reflect on the progress and achievements of Mahant Bachittar Singh College of Engineering and Technology in 2022.

I am incredibly proud of the dedication and hard work shown by our students, faculty, and staff, who have not only embraced the challenges of today but also pushed boundaries to create a brighter future. I extend my sincere appreciation to everyone who has contributed to our success.

I look forward to witness even greater milestones in the coming years. Let us continue this journey of growth and excellence together.

Prof. (Dr.) A.S. Sudan

Message from Principal's Desk

Prof. (Dr) D.S. Pundhir

As we reflect on the year 2022, I am filled with immense pride in the collective achievements of our college community. Mahant Bachittar Singh College of Engineering and Technology has continued its journey of innovation, and holistic development, even in the face of unprecedented challenges.

Our students and faculty have consistently excelled in academics, research, and extracurricular activities, further strengthening our position as a premier institution.

Together, we can build a future where our college continues to shine as a beacon of knowledge and growth. I extend my heartfelt gratitude to all who have contributed to making 2022 a remarkable year. Together, let us continue to strive for excellence and create a brighter, more innovative future.

VISION OF INSTITUTE

To be globally acclaimed technical institution for aspiring technocrats and continuously striving to explore new vistas of opportunities.

MISSION OF INSTITUTE

- Providing contemporary and advanced knowledge of engineering & sciences among students in coordinated and integrated manner.
- Developing culture of excellence in teaching, learning and innovation to provide opportunity to the students to become critical thinker and problem solvers.
- Producing competent skilled manpower based on demand of industry, society and corporate world.
- Promoting design & research culture by adopting latest technology and diverse resources for the benefit of society.

....CAMPUS EVENTS
